

TUESDAY TROTTERS TIMES TEN

Official Rules

1. The Tuesday Trotters Times Ten promotion will run for ten (10) weeks, from Tuesday, April 30th, 2019 through Tuesday, July 2nd, 2019.
2. Eligible wagers must be placed on Nassau OTB's internet or mobile sites (nassauotb.com a.k.a. betnowny.com, m.nassauotb.com and nassauotb.mobi) on Tuesday evening's Harness races.
3. Each Wednesday, during the ten (10) week promotion, three (3) eligible wagers will be selected at random.
4. The winning wagers will be selected by numbering all eligible wagers from the previous Tuesday evening and employing a random number generator to determine the winning wagers.
5. The total cost of the selected wager will be multiplied by ten (10) and the resulting amount, up to a maximum of One Hundred Dollars (\$100.00 USD) per winner, will be deposited in the winners' wager account (e.g. a \$5 WIN bet on 3 runners for total cost of \$15 wins a \$100 deposit).
6. The winning wagers and amounts won will be posted on nassauotb.com.
7. Only wagers on Harness tracks whose first post is after 5:30 p.m. EDT will be considered in the promotion.
8. Only one winner per account, per week will be permitted – should multiple wagers from the same account be selected, only the first selection from the account will be honored and additional random number(s) will be generated to determine the replacement winner(s).
9. Nassau OTB employees and their immediate families (Parents and Grandparents, Spouses and Children, Brothers and Sisters, Mothers and Fathers-in-law, Grandchildren, Foster Children, Step-parents, and Sons or Daughters-in-law - as defined in NROTB collective bargaining agreement) are not eligible. Should a wager from a Nassau OTB employee or their immediate family be selected, additional random number(s) will be generated to determine the replacement winner(s).
